extraordinary.

→ conferences

Main stage, second stage, workshops or panel discussion. Our four studios, three ateliers and the Oat Milk Studios provide everything you need for conferences up to 2,500 guests.

→ concerts & gala dinners

With its original vintage brick walls, combined with a variation of steel elements, the impressive STUDIO 1 provides a one-of-a-kind setting for unique social gatherings.

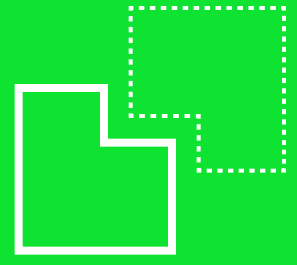

→ film works & foto production

Authentic industrial design elements create a unique ambience for film & foto productions. An enormous glass rooftop providing you with daylight as well as Berlin's largest infinity cove will set the stage for any kind of requirements you may have.

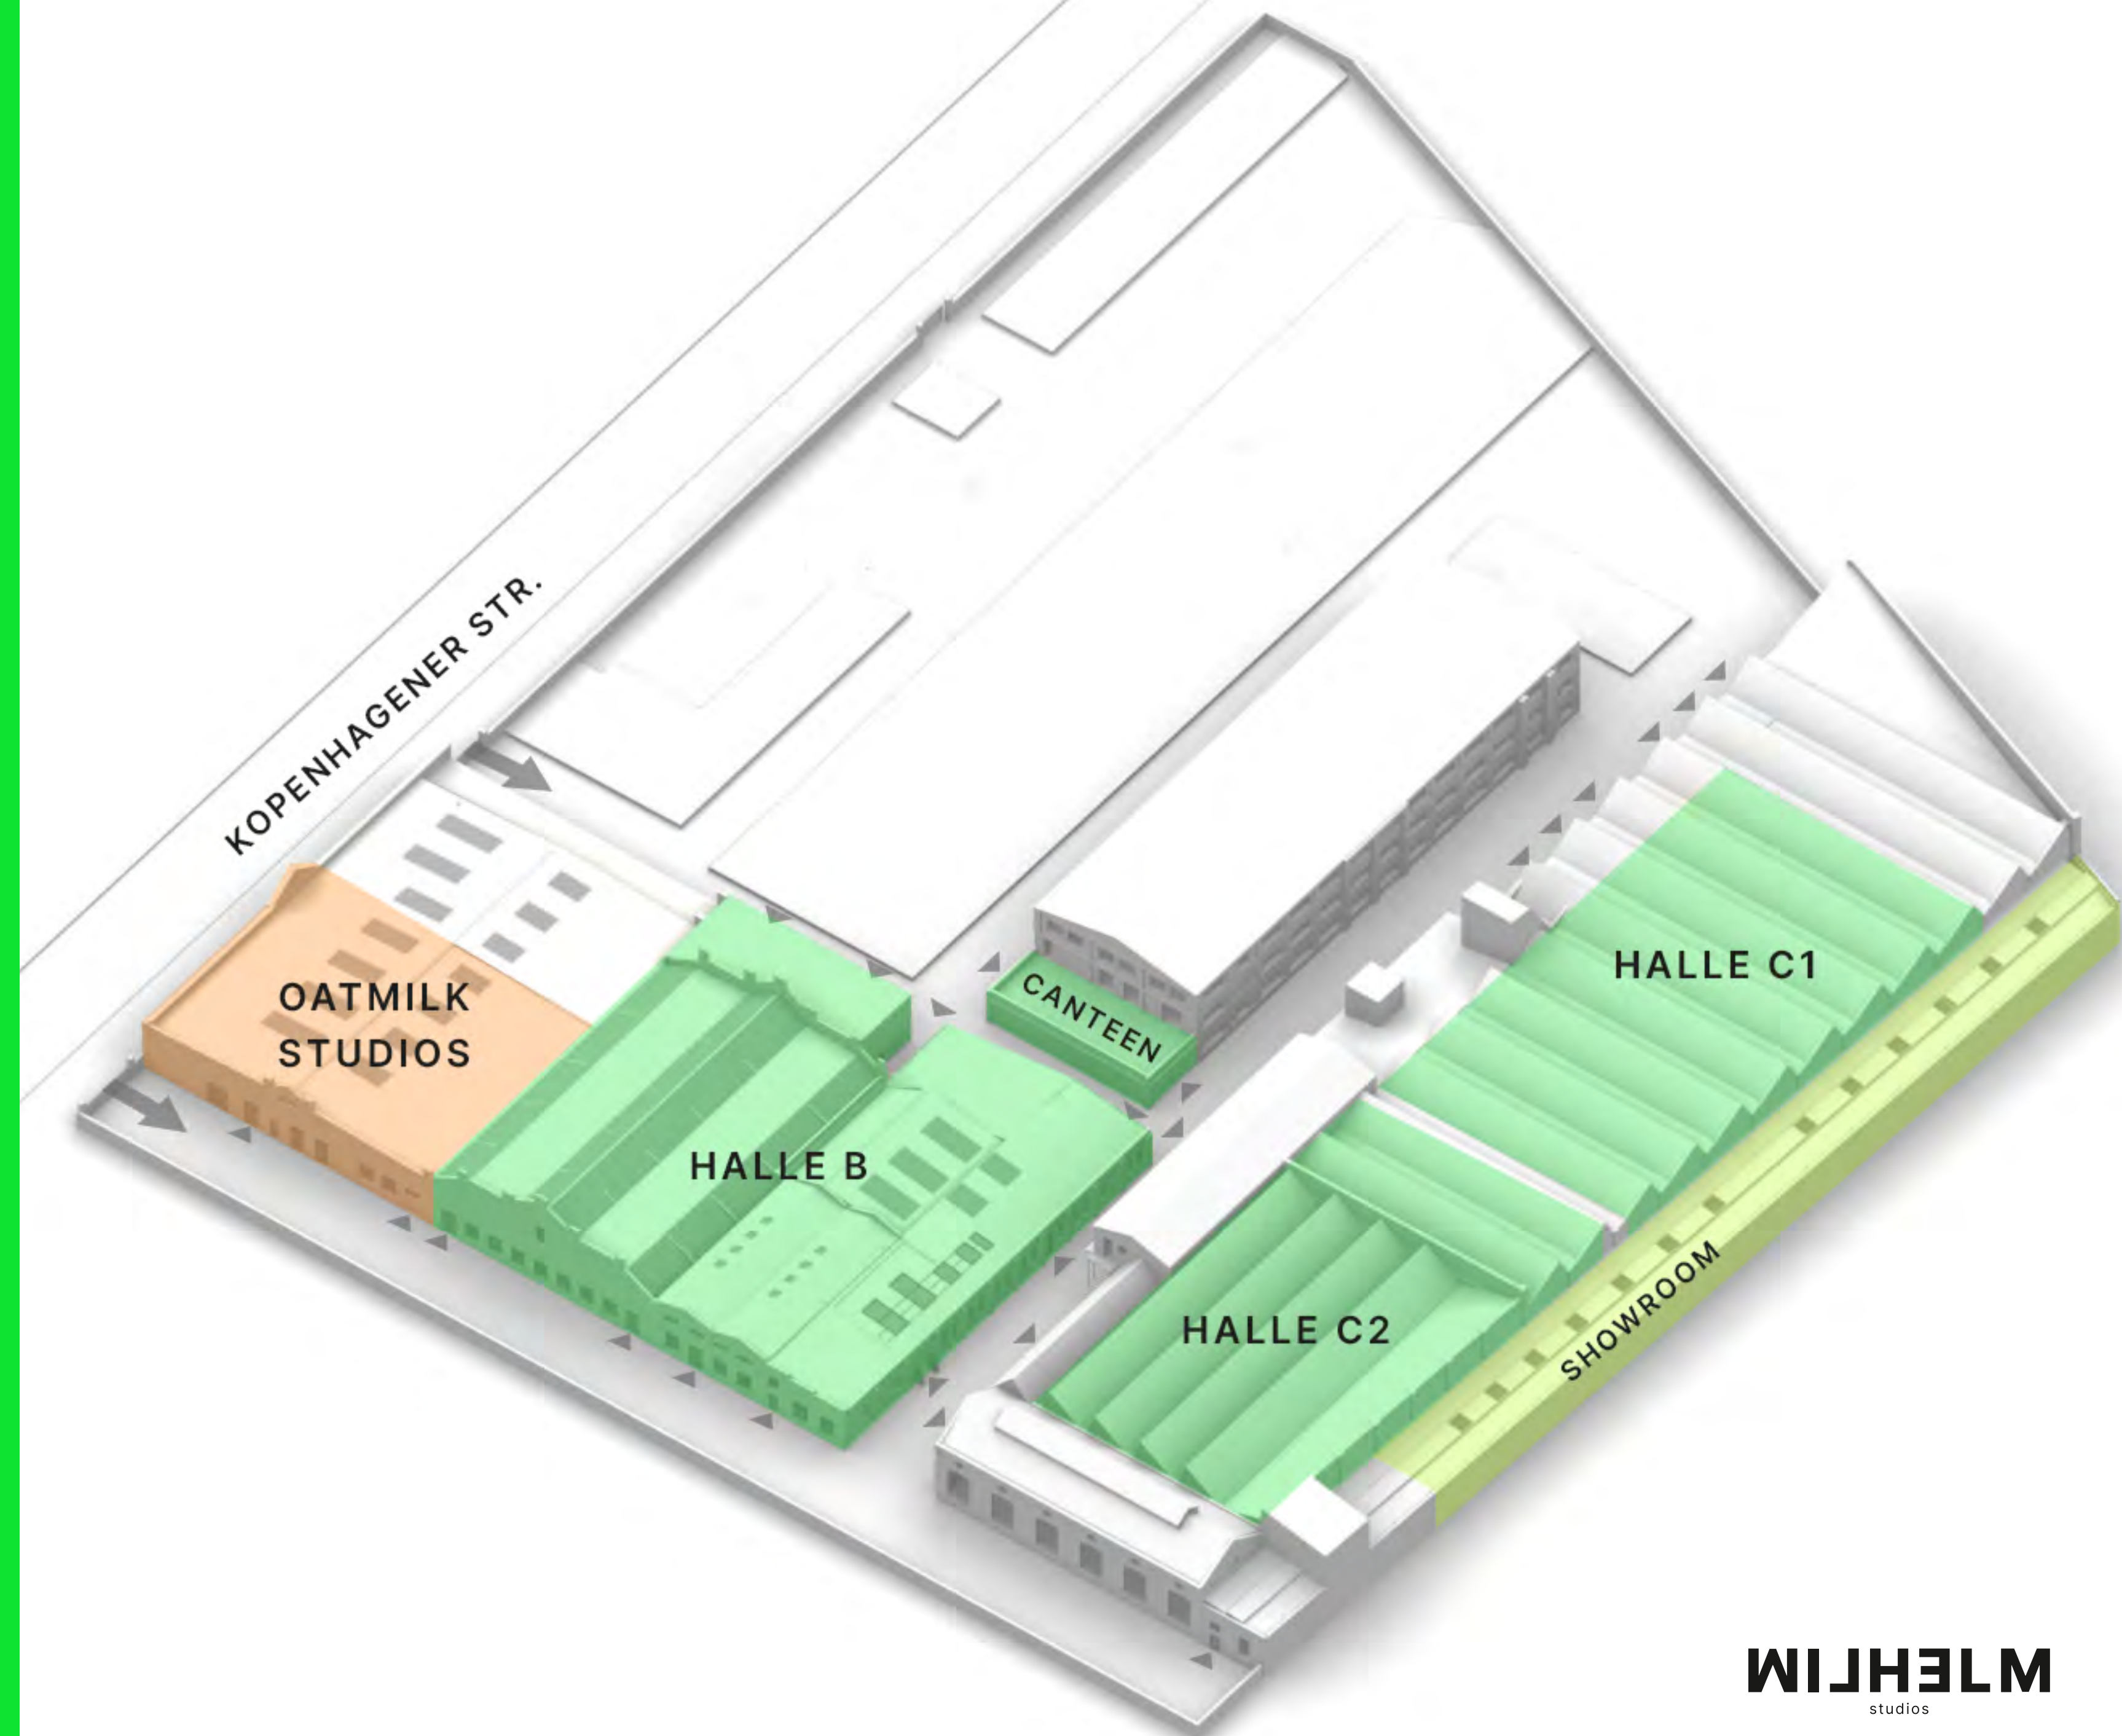

→ corporate events & product presentations

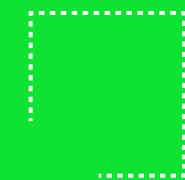

Your long awaited product launch, corporate dinner, Christmas event or company get-together.
