BERLINSIDESTORIES

WHO WE ARE

We are a dynamic group of vibrant Berliners deeply involved in the cultural urban life of the city. We are Artists, Creatives, Speakers, Moderators, Tour Guides and Activists.

We work since many years in the cultural industry, having a great network in Berlins music, art, nightlife, gallery, and tech scene. We work with interesting partners from the creative industries to offer a special perspective of the City.

WHAT WE DO

We offer personalized culture tours to explore Berlins urban life including a great mix of history, art, cultural, historical context, politics and fun activities.

We can tailor tours for any group, friends, families, colleagues or companies according to your interests. Tailored tours can vary from simple guided walking tours of 2 hours to a full day experience including lunch/dinner options or entertainment experiences, nightlife experience or a full curated weekend.

We also offer cultural concepts and curation, research and consulting connecting cultural immersions and a deeper understanding of urban communities and urban change for companies and corporate clients.
